WORK EXPERIENCE/INTERNSHIP

April - September 2021 Intern, Computer-ICE Africa

- Received professional tutoring on kick-starting my coding career and I was able to give back to my immediate community by hosting a webinar and providing resources for my peers who are interested in starting their career in software development but really don't know where to start from.
- Worked as the Marketing executive and social media manager to enhance the company's software sale and reaching a larger audience.

3 weeks Volunteer Summer Instructor, Deeper Life Leadership and Entrepreneurship School (DLES 2021)

- Taught senior secondary school students important mathematical concepts to reinforce their understanding of the concepts.
- Coordinated students during various activities and ensured smooth running of the summer program.

COMMUNITY SERVICE

SMAT Ambassador | Deeper Life Bible Church

- Zonal representative, worked with diverse group of young people on increasing the social media audience by 25% +
- Give feedbacks on progress at the regional level. 2hrs/week

Student Tutor

- Recommended by teachers to my peers who experienced difficulties in mathematics and the sciences.
- Created WhatsApp group during the pandemic to help my peers catch up on difficult topics. 3hrs/week

EXTRACURRICULARS

2019 - 2020 President/Co-founder | Quiz Club

- Taught peers and prepared Juniors for quiz competitions
- Won several awards and gained recognition for my school as one of the top 6 schools in my state

2017 - 2019 Team leader | JETS Club

- Designed a fruit cell with my teammates using lime juice as the electrolyte (Works on principle of Voltaic cell)
- Extracted alkanoates from natural products to make a perfume with my team (final product failed due to lack of distillation tower in my school laboratory)

2015 -2019 Assistant Captain| Soccer Team

2019 - 2020 Senior Prefect/Headboy

- Coordinated 600+ students on assembly field to ensure serenity
- Initiated infrastructure development during my tenure as the senior prefect
- Co-host, Revamping the Nigerian Economy by Learning and Implementing the Asian Tigers Developmental Strategies- Welcomed students from neighbouring schools to deliberate on successful strategies to move our country forward

6 weeks Team Innovate | Minerva Challenge 2020

- Worked with teammate during the pandemic on creating a sustainable educational model with the reality of virtual learning; Discussed and deliberated via Google Meets and WhatsApp.

2016 - present

Farm Assistant| Family Responsibility

- Worked with siblings and my dad on crop plantation exclusively for family consumption, spanning land clearing, planting, and post planting activities
- Experienced in Yam, Cassava and Maize plantation 8hrs/ week during school time, 30hrs/week during school breaks
